

The Chicken Soup OD

The Chicken Soup is a pretty self explanatory pedal with simple controls and simple application. It has the standard volume, gain and tone knobs.

Please experiment with all settings since they offer a variety of tones and feel.

We recommend that you start with all control knobs at 12:00. This pedal is very easy to find good sounds with. If you back off the gain and increase the volume say hello to the classic country tones you hear all over Nashville. With the gain up you can get pretty scorching and compressed lead tones. Great for Teles and Strats but equally beastly

with Les Paul's and humbuckers. This is a very smooth OD, you can almost hear D....mble...ish tones if you try hard enough.....ok.....you don't have to try hard at all.

All Rockett Pedals operate off of the standard BOSS type 9v adapter or a single 9v battery. The power input is a 5.5 mm x 2.1 mm jack with the positive voltage on the outer sleeve. Using an external power supply will disconnect the battery. Disconnect the input jack to preserve battery life when not in use or when not used with an appropriate external power supply.

Warranty

Rockett Pedals LLC. will repair or replace, at its discretion, defective workmanship or materials on all new Rockett Pedals products directly or through; the selling dealer or an authorized service technician, for one year from the date of purchase at no cost to the original purchaser. Repair and replacement parts installed will be warranted for the unexpired portion of the original warranty term.

Before sending product in for repair please contact us at chris@rockettpedals.com or jay@rockettpedals.com. Or call 760-419-1345.

This warranty does not cover shipping costs, product appearance or damages caused by accident, abuse, misuse or alteration.

A dated sales slip or order number (issued by a tech, dealer or Rockett Pedals) must accompany a product being returned for warranty service. Repairs without a return authorization number will be refused. Please allow 4 weeks for warranty service. For more information please contact Rockett Pedals. www.rocketpedals.com or 760-419-1345.

No other warranty is expressed or implied.
